

A modular sofa system with very compact dimensions, make possible to use it even in small areas. Mayday consist of 2 main modular units as fastened to create corners in-line or island compositions. A low armrest, low armrest with a table and a pouffe complete the collection. Its modern approach makes the modular Mayday a timeless eye catcher sofa.

A perfect blend of style and comfort, Mayday is a generous sofa that will encourage owners to relax. The seating angle is also ideal for offices or public spaces, enabling the user to sit actively engaging with work. Figure out your own configuration to suit your space. Mayday has a strong visual impact that, at once, expresses solidity and softness.

Wooden Carcass

Structure made of 18 mm plywood, strengthened by massive beech wood. The outer and inner sides and back, are closed by 3 mm MDF board to reach a smooth and durable surface.

Foam

The seat is made of durable soft foam at density 35 density 12 cm to reach a longlasting and comfortable seating. The back of the sofa is made of durable soft foam at density 25 density to reach a longlasting and comfortable seating. Outer surface of seat body is covered with 28 density foam with a thickness of 2 cm then wrapped with 60 grams fiber.

Upholstery

Predefined amount of fabric is cutted in pieces by CNC Laser Fabric Cutter machines. The cutted pieces are joined via needle sewing machines and upholstery is done. When upholstery process is fully completed, the arms are fitted to the body. Dust cover is stapled underneath the sofa to give the sofa a finished look.
