**Nice to know:** Linoleum er et antibakterielt materiale som er antistatisk og behageligt at røre ved. Derudover er linoleum et bæredygtigt materiale, som er fremstillet udelukkende af fornybare naturmaterialer.

## kanter

ABS kanter findes i flere farver. Ved linoleum og nano laminat bruges mat ABS. Lakerede kanter på duet MDF følger som udgangspunkt stelfarve. Det er også muligt at vælge krydsfinér- eller egefinér kant.
